ADD-ONS

Till Software £2.80/week

TouchPoint EPoS software from ICRTouch is effortless, reliable and proven.

Developed over twenty years and continually updated, TouchPoint has been designed for any hospitality or retail business.

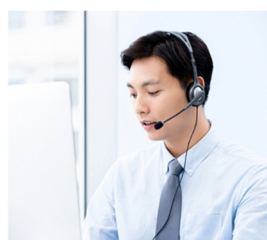

Cloud £4.85/week

Real time and historical sales reports at your fingertips. TouchOffice Web provides complete control over your business from anywhere. Stock, staff, pricing and programming; TouchOffice Web gives you control over it all.

Support £3.50/week

A support plan means you never have to worry. With access to Zenith's online support community and our remote engineers you will never need to worry about your system going down. Our continuous training will keep you up to date as things move on.

Zensecure 99p/week

Zensecure will protect your system securely across 2 data centers in the UK. This secure system allows only you to have access to your data and allows us to restore your EPoS system within minutes in case of failures or recover all your data should your EPoS till break beyond repair.

Payment Integration

Free set up and low monthly fees depending on the terminals you choose (integrated or mobile).

Let us put you together with our chosen partner for a no obligation quote and see if we can beat your current provider.
